

Starboard

Let your community support their favorite content and also award users for their works!

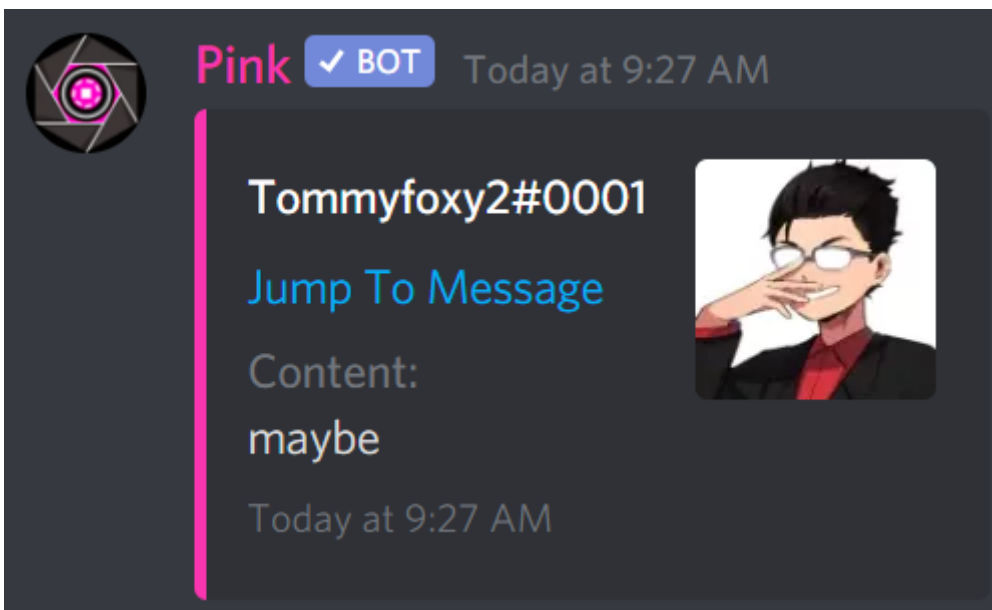

REQUIRES: Manage Messages, Send Links

Setup

Configuration for the channel where the starred messages will be posted, what emoji will trigger the starboard, the threshold for a message to be moved to the starboard channel, and the reward for getting a 'starred' message.

Command	Description	Example
>starboard channel <i>channel</i>	Channel where starboarded messages will be posted	>starboard channel #channel
>starboard emoji <i>emoji</i>	Emoji that triggers starboard	>starboard emoji 🌟
>starboard threshold <i>number</i>	Number of reacts needed to get into the starboard channel	>starboard threshold 3
>starboard reward <i>number/off</i>	Awarded XP who gets their message into the starboard channel	>starboard reward 100
